Iglu Floor Lamp

By Masiero

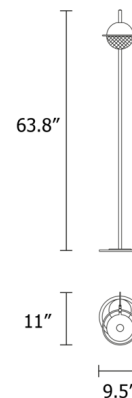

Description

The Iglu Floor Lamp pairs a metal dome shade with an open mesh cage for a light, airy interpretation of the classic globe floor lamp. The mesh creates an interplay of light and shadow from the integrated LED light source, while the lamp's purely geometric form offers a balanced, harmonious expression. An opening on top of the lamp also directs light upward for a dramatic effect. Includes built-in dimmer.

Shown in coated bronze / gold mesh
