Dylan Stool Set of 2

By Regina Andrew

Description

The Dylan Stool brings a practical design and stylish comfort to your interior space. The generously contoured seat and back made from soft, channel-stitched leather yield uncompromising comfort. The bent, continuous-tube frame sturdily surrenders to movement and the armless design encourages relaxed sitting in any direction while allowing easy stowing under the bar or table after use. Each has a set of 2 stools.

Shown in black / ebony leather
