Rapture Wall Sconce

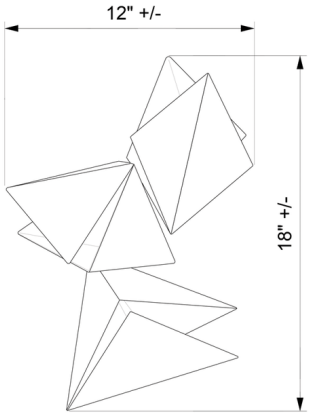

By Ridgely Studio Works

Description

The Rapture Wall Sconce is a dynamic grouping of geometric brake formed steel shades with a two-tone finish. Its brilliant Gold Leaf interior reflects the internal light source and creates contrast in the design. This fixture can be installed as a standalone wall light or clustered in groupings to create a dramatic wall installation. Three G4 bi-pin base 12-24V LED bulbs are included.

Shown in matte black
