Agnes Cascade Chandelier

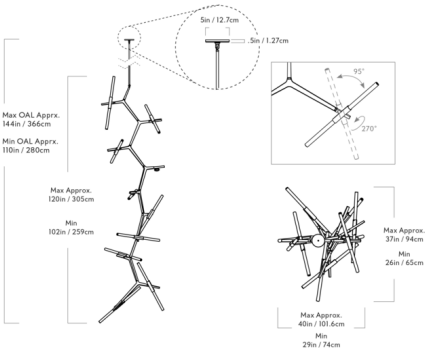

By Roll & Hill

Description

The Agnes Cascade Chandelier offers a unique shape composed of linear metal segments and glass tube diffusers to form a branching, molecule-like structure. The chandelier's dramatic silhouette and geometric lines give it a futuristic aesthetic that is sure to attract attention. The glass diffusers can be angled to create a customized look to suit the space. Available with angled-cut or straight-cut glass diffusers.

Shown in bronze / straight cut glass
