Agnes Wall Sconce

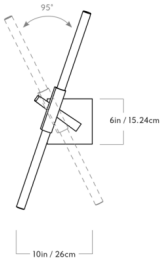

By Roll & Hill

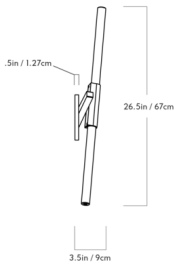

Description

The Agnes Wall Sconce offers a sleek shape composed of linear metal segments and glass tube diffusers to form a linear structure. The sconce's dramatic silhouette and geometric lines give it a futuristic aesthetic that is sure to attract attention. The diffuser can be tilted 95 degrees to either side for a dynamic look. Available with angled-cut or straight-cut glass diffusers.

Shown in polished nickel / straight cut glass
