Agnes Double Wall Sconce

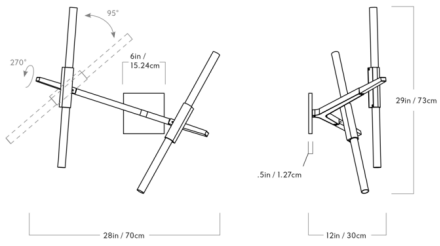

By Roll & Hill

Description

The Agnes Double Wall Sconce offers a sleek shape composed of linear metal segments and glass tube diffusers to form a branching structure. The sconce's dramatic silhouette and geometric lines give it a futuristic aesthetic that is sure to attract attention. The diffusers can be tilted 95 degrees to either side for a dynamic look. Available with angled-cut or straight-cut glass diffusers.

Shown in bronze / straight cut glass
