Knotty Bubbles Barnacle Chandelier

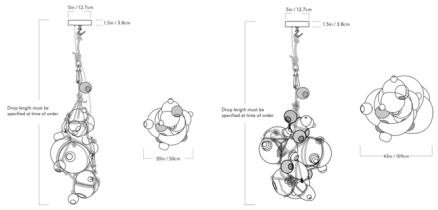

By Roll & Hill

Description

The Knotty Bubbles Barnacle Chandelier is a sculptural light that will enhance any room with nautical style. A cluster of rounded glass diffusers is reminiscent of underwater bubbles and floating buoys, while smaller black globes dot the pendant like barnacles clinging to a rock. The pendant is supported by a tangle of knotted rope and attached with a carabiner clips to add to the nautical motif.Note: The overall height from the ceiling to the bottom of the pendant must be specified at time of order.
