Shape Up Three Light Chandelier By Roll & Hill

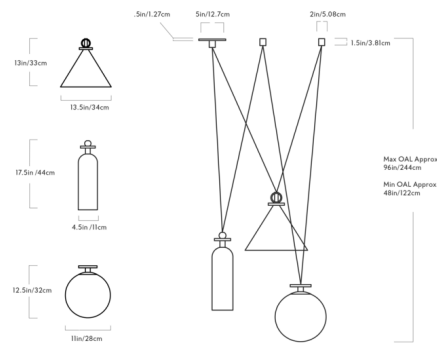

Description

The Shape Up Three Light Chandelier offers a playful expression with its eclectic grouping of different shades. A metal cone shade, glass cylinder, and glass orb are suspended from a round canopy and two ceiling hooks and connected with fabric cable to form a constellation of light. Shape Up's versatile configuration allows the pendants to be arranged to best suit the surrounding room and make a strong statement with the fixture's dynamic asymmetry.
