Geode Wall Sconce

By Roll & Hill

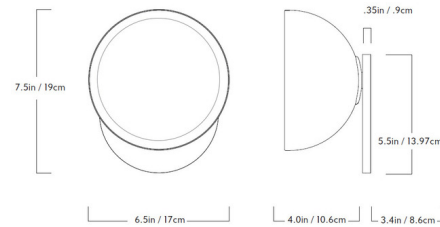

Description

The Geode Wall Sconce has been crafted from three layers of solid glass and meticulously ground down into a hemispherical shape to reveal a pale white center beneath a colored exterior. The sconce's layered appearance evokes the image of a geode's crystals concealed within a rocky exterior. Geode is supported by a circular backplate and houses an integrated LED light source to provide soft, diffused illumination.

Shown in polished brass / pink

Specifications

COLOR Pink
BODY FINISH Polished Brass
WATTAGE 8W
DIMMER Low Voltage Electronic
DIMENSIONS 6.5"W x 7.5"H x 4"D
INTEGRATED LED MODULE 1 x LED/8W/120V LED

Technical Information
