Pole Arch Floor Lamp By Roll & Hill

Description

The Pole Arch Floor Lamp features an LED strip housed within a thin, curving aluminum rod for a minimalist, modern aesthetic. The LED strip lines the interior of the lamp's arching form to elegantly illuminate the space below. Pole can be used to create dramatic, sculpture-like installations and introduce dynamic visual interest to an interior. Note: There is no on/off switch; the lamp must be plugged or unplugged at the socket to operate.
