Apollo Vertical Chandelier By Roll & Hill

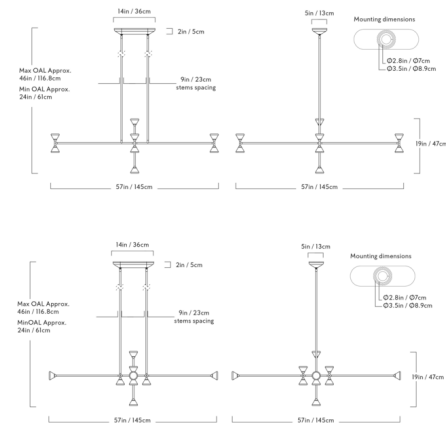

Description

While it may appear simple at first glance, the Apollo Vertical Chandelier features subtle detailing that adds understated style to its minimalist frame. The sleek tubular frame is adorned with brushed brass accents and capped with hand-blown glass diffusers which house integrated LED light sources. The fixture's canopy is crafted from oak to add a rich natural texture for visual interest. Included 35 inch downrods are adjustable on site.

Shown in matte ivory / white
