Apollo Stem Pendant

By Roll & Hill

Description

While it may appear simple at first glance, the Apollo Pendant features subtle detailing that adds understated style to its minimalist silhouette. The conical glass shade houses an integrated LED light source to provide softly diffused illumination. Brushed brass accents above the shade provide a touch of shine, and the fixture's canopy is crafted from oak (in Oxidized finish with Matte Black and Brushed Brass or Whitewash finish with Matte Ivory) to add a rich natural texture for visual interest. Included 35 inch downrod is adjustable on site.

Shown in brushed brass / white
