## The Lair Club Chair

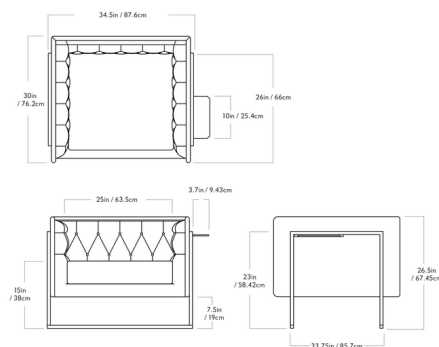

By Roll & Hill

### Description

The Lair Club Chair was inspired by the shape of classic club chairs, with a boxy frame supporting a plush, leather-upholstered seat in a welcoming embrace. The Lair's wooden back and sides are held by a polished brass frame for a luxurious pairing of materials. A pop-up shelf on the chair's arm provides a convenient place to rest a drink while relaxing.

Shown in polished brass / black walnut / tan leather
