Bell Pendant

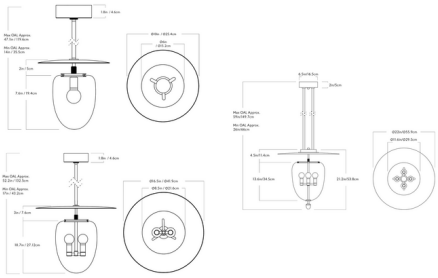

By Roll & Hill

Description

The Bell Pendant is a contemporary interpretation of classic bell jar lanterns dating back to the 18th century. The pendant's streamlined shape features a glass droplet beneath a round metal reflector. A small opal globe diffuser houses an integrated LED light source to produce warm, intimate illumination as a modern twist on candlelit lanterns.Unlacquered Brass is a living finish, meaning it will darken and patina over time. Polishing will restore the sheen if desired.Included 35 inch downrod is adjustable on site.

Shown in blackened brass / clear

Specifications

COLOR	Clear
BODY FINISH	Blackened Brass
WATTAGE	8W
DIMMER	Low Voltage Electronic
