Boden Wall Light

By Roll & Hill

Description

The Boden Wall Light is streamlined but sculptural with an elongated shade protruding from a narrow oval backplate. The shade houses an integrated LED light source and can be swung 180 degrees side to side and rotated 330 degrees to direct its light. Boden is perfectly suited as a reading light flanking a bed or next to a desk or reading chair in a den or study. Note: This fixture is designed to be mounted on a 2 inch x 4 inch junction box.
