## Boden Double Wall Light

By Roll & Hill

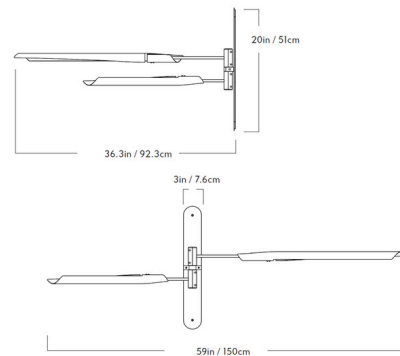

### Description

The Boden Double Wall Light is streamlined but sculptural with a pair of elongated shades protruding from a narrow oval backplate. The shades house integrated LED light sources and can be swung 180 degrees side to side and rotated 330 degrees to direct their light. Boden is perfectly suited as a reading light flanking a bed or next to a desk or reading chair in a den or study. Note: This fixture is designed to be mounted on a 2 inch x 4 inch junction box.

Shown in brushed brass / black
