Rue Sala Linear Pendant

By Roll & Hill

Description

The Rue Sala Linear Pendant was inspired by the summers designer Jessica Helgersen spent at her ancestral home in Lyon, France. The home's elegant Louis XIV furniture and bronze statues inform the pendant's turned metal frame which is rich with decorative detail. Glass diffusers with integrated LEDs cap each end of the pendant to provide pleasant illumination. Unlacquered Brass is a living finish, meaning it will darken and patina over time. Polishing will restore the sheen if desired. Included 35 inch downrod is adjustable on site.
