# Rue Sala Corded Wall Sconce

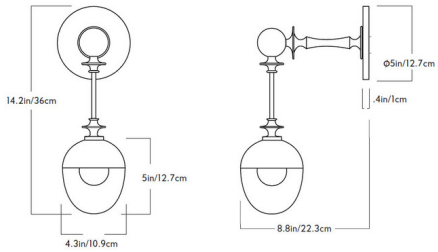

By Roll & Hill

## Description

The Rue Sala Corded Wall Sconce was inspired by the summers designer Jessica Helgerson spent at her ancestral home in Lyon, France. The home's elegant Louis XIV furniture and bronze statues inform the sconce's turned metal arm which is rich with decorative detail. The arm supports a rounded glass diffuser suspended from a fabric cord reminiscent of a traditional candlelit lantern. Unlacquered Brass is a living finish, meaning it will darken and patina over time. Polishing will restore the sheen if desired.
