Carmina Mini Tripod Table Lamp By Umage

Description

The Carmina Mini Tripod Table Lamp reminds one of the wave-like dunes of the many beautiful shorelines surrounding Denmark. The translucent shade gracefully diffuses light to provide soft, pleasant illumination from its flower-like form. A tripod base contrasts the shade's calm visual lines with sleek, angled legs. The reversible legs can be installed in a high or low position for variable height. On/off switch located on cord. Ships flat with easy to assemble instructions.
