Esfera 3-Tier Chandelier

By Visual Comfort Modern

Description

The Esfera 3-Tier Chandelier realizes the beauty of elemental materials and spatial symmetries. Crystal shades are set on a layered 3-ring frame, creating a grand statement piece suitable for foyers and living areas. Each crystal is laser-etched on the inside, offering a multi-dimensional effect as the light shines through. Dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass option has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: Requires a junction box rated for fixtures weighing over 50 pounds.
