Esfera 2-Tier Chandelier

By Visual Comfort Modern

Description

The Esfera 2-Tier Chandelier incorporates the beauty of elemental materials and spatial symmetries into its stunning multi-level design. Each crystal shade is laser-etched on the inside, offering a multi-dimensional effect as light shines through. Dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass option has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: The 42 inch diameter chandelier requires a junction box rated for fixtures weighing over 50 pounds.
