Forge Short Pendant

By Visual Comfort Modern

Description

The Forge Short Pendant makes a bold statement with its industrial-inspired design. A lazy cord, decorative heat sink housing and matching canopy add further character with modern flair. Its shallow spun metal shade casts a downlight ideal for kitchen islands, tables, and bars. TRIAC, ELV, and 0-10V dimmable. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Note: The 18 inch size is not available in Matte White. The 24 inch size is not available in Matte Black.
