Zig Zag Wall Sconce

By Visual Comfort Modern

Description

The Zig Zag is an iconic Clodah design inspired by the ziggurats of 13th century Moorish architecture and the totemic works of Brancusi. This wall sconce is both sculpture and light, recreating the allure of the ancient works into your space, while adding dimension and a contemporary touch. TRIAC and ELV dimmable. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
