## Co Table

By Audo Copenhagen

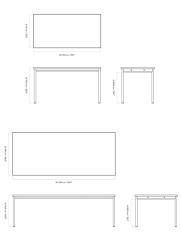

## Description

The Co Table offers a refined and elegant modern aesthetic that will complement a variety of decor styles. Co's rectangular tabletop is made of laminate with oak trim and supported by a quartet of columnar steel legs. The table's clean lines and understated style make it an excellent choice for workspaces or conference rooms in a professional setting. Choose from the option with cable management compartments or without.

Shown in chrome / cream
