Callisto Multi Light Pendant By Boyd Lighting

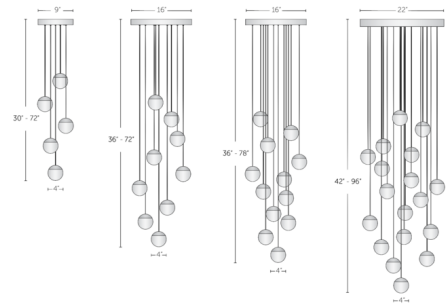

Description

The Callisto Multi Light Pendant features a cascade of brass and alabaster orbs descending from a single canopy to create a dazzling display of light. The simple spherical form of the hand-carved alabaster shades showcases the material's unique patterns and natural beauty. Dimmable with ELV, MLV, or 0-10V dimmers. Note: Due to the weight of the fixture, the 18-Light option requires additional ceiling support.

Shown in antiqued boyd brass / alabaster
