Ghost Round Pendant

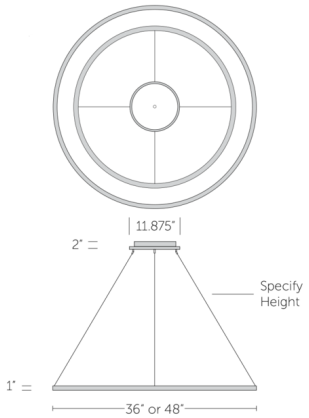

By Boyd Lighting

Description

The Ghost Round Pendant features an open ring shape with an aluminum frame and edge-lit acrylic diffuser. The micro-etched acrylic appears transparent when the fixture is turned off and opaque when on for an ethereal expression. The pendant directs light both upwards and downwards to bathe its surroundings in warm, ambient light. Dimmable with TRIAC, ELV, and 0-10V dimmers. Overall height available between 30 - 54 inches (specify at time of order).
