Pisces Wall Sconce

By Boyd Lighting

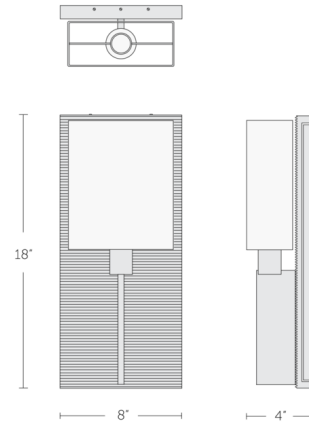

Description

The Pisces Wall Sconce offers an intriguing juxtaposition of textures by pairing a white linen box shade and precisely machined brass hardware with a ridged, cast brass backplate. The irregularly grooved texture is hand-cast in Chicago before being assembled by Boyd's expert artisans in Colorado. Pisces' clean-lined rectangular silhouette and shallow projection from the wall make it a versatile accent piece for any space.

Shown in satin brass / white linen
