Grasse Wall Sconce

By Boyd Lighting

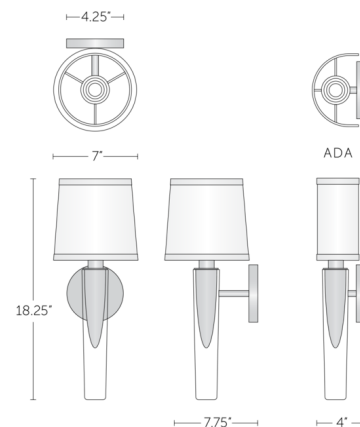

Description

The Grasse Wall Sconce takes inspiration from Grasse, France, widely known as the perfume capital of the world, and features an elegant Czech, blown-glass stem reminiscent of a perfume bottle. The colored glass is perfect for adding a pop of color to any wall, and a tapered linen shade completes the look with a neatly tailored accent. Available with a half-shade for ADA-compliant applications (4 inch depth) or a full shade (7.75 inch depth).

Shown in polished nickel / orange
