## Icicle Disk Multi Light Pendant By Boyd Lighting

## Description

The Icicle Disk Multi Light Pendant features a cluster of icicle-shaped pendants descending from a single round canopy to create a dazzling cascade of light. This modern take on the chandelier is perfect for introducing a dramatic visual element to a dining room or foyer. Dimmable with ELV, TRIAC, and 0-10V dimmers. Overall hanging height between 36 and 60 inches (specify overall height at time of order). Note: Due to the weight of the fixture, additional ceiling support is required for the 20 inch size.
