Topanga Chandelier

By Boyd Lighting

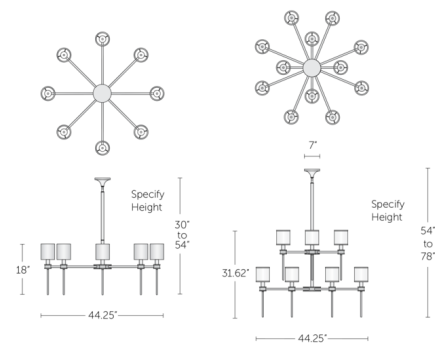

Description

The Topanga Chandelier features a sleek metal frame with branching arms capped by cylindrical shades in linen fabric or metal. The chandelier's thin vertical stems are accented by decorative collars in wood or dyed shagreen for an understated but richly textured decorative touch. Overall height specified to order and is not field adjustable: 18 inch size from 30 to 54 in. overall / 31.6 in. size from 54 to 78 in. overall. Note: Due to the weight of the fixture, additional ceiling support is required.
