Branch Wall Sconce

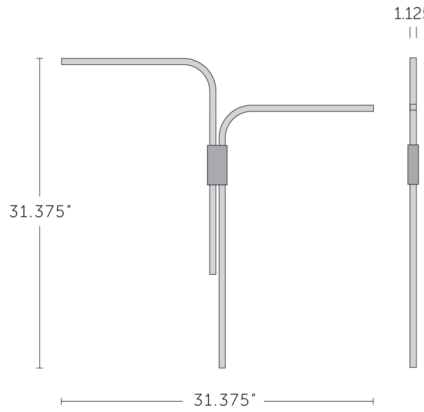

By Boyd Lighting

Description

The Branch Wall Sconce features a slim linear frame with a pair of arms that swing side to side to direct their light. Branch's integrated LED lights are shielded by a white silicone diffuser to reduce glare and gently cast light into the surrounding room.Note: Due to the fixture's narrow profile, it requires mud work for installation. A 3.5 inch mud plate is included.

Shown in antiqued boyd brass
