Ghost Parabolica Pendant

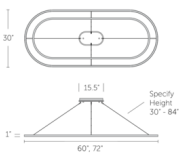

By Boyd Lighting

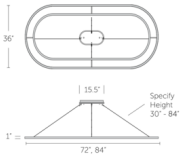

Description

The Ghost Parabolica Pendant features an open ring shape with an aluminum frame and edge-lit acrylic diffuser. The micro-etched acrylic appears transparent when the fixture is turned off and opaque when on for an ethereal expression. The pendant directs light both upwards and downwards to bathe its surroundings in warm, ambient light. Dimmable with 0-10V dimmers. NOTE: The overall height from the ceiling to the bottom of the pendant is specified to order: 30 inch minimum to 84 inch maximum. Please enter the desired overall height in the Additional Instructions / Notes section during checkout.
