Isa Linear Pendant By Boyd Lighting

Description

Drawing upon European and Japanese influences, the Isa Linear Pendant offers an elegant, minimalistic look that blends form and function. The slim linear frame is paired with a cast glass diffuser in cast Clear Crystal or Rock Crystal, which adds an intriguing visual texture. The glass is gently illuminated by integrated LEDs for high performance, energy efficient lighting. Overall height specified to order: 24 inch minimum to 48 inch maximum. Note: Due to the weight of the fixture, the 48.4 and 60.4 inch sizes require additional ceiling support.
