Isa Wall Sconce By Boyd Lighting

Description

Drawing upon European and Japanese influences, the Isa Wall Sconce offers an elegant, minimalistic look that blends form and function. The slim linear frame is paired with a cast glass diffuser in Clear Crystal or Rock Crystal, which adds an intriguing visual texture. The glass is gently illuminated by integrated LEDs for high performance, energy efficient lighting. Note: Due to the fixture's slim profile, mudding-in is required for installation. A 3.5 inch mudding plate is included. LED driver must be installed remotely.

Shown in satin brass / cast rock crystal

Specifications
