Isa Wall Sconce By Boyd Lighting

## Description

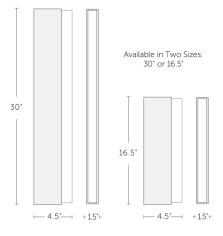

Drawing upon European and Japanese influences, the Isa Wall Sconce offers an elegant, minimalistic look that blends form and function. The slim linear frame is paired with a cast glass diffuser in Clear Crystal or Rock Crystal, which adds an intriguing visual texture. The glass is gently illuminated by integrated LEDs for high performance, energy efficient lighting. Note: Due to the fixture's slim profile, mudding-in is required for installation. A 3.5 inch mudding plate is included. LED driver must be installed remotely.
