## Nebula Multi Light Pendant By Boyd Lighting

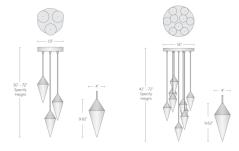

## Description

The Nebula Multi Light Pendant cuts a striking silhouette thanks to its array of conical alabaster diffusers with brass caps. The pendant's dramatic angular lines are contrasted by the ethereal texture of white alabaster, which is lit from within by an integrated LED to provide soft, diffused illumination. Overall height specified to order: 9 inch size from 30 to 72 inches; 16 inch size from 32 to 72 inches.

Shown in satin brass / alabaster
