Plateau Wall Sconce By Boyd Lighting

Description

The Plateau Wall Sconce features a slim profile illuminated by an integrated LED to produce a warm, ambient glow. Plateau's elemental, geometric form and shallow projection allow it to effortlessly blend into a wide variety of decor styles. Note: All sizes of the round sconce and the 6 inch square sconce require the LED driver to be mounted remotely. The square 10 and 14 inch sconces require a 3.5 inch octagonal junction box or for the driver to be mounted remotely.
