## Spire Wall Sconce By Boyd Lighting

### Description

The Spire Wall Sconce draws upon architectural influences to create an elegant, sculptural expression. The pointed porcelain shade is inspired by towering church steeples and is supported by turned brass bracket arm. An integrated LED light source within the bras rod directs light into the shade, which then reflects outwards to provide pleasant ambient lighting. Note: For installation, the sconce requires a deep 3.5 inch octagonal j-box or the driver must be mounted remotely.

Shown in satin nickel / white

### Specifications

COLOR	White
BODY FINISH	Satin Nickel
WATTAGE	6W
DIMMER	0-10V
DIMENSIONS	5"W x 20.37"H x 3.62"D
