Catacaos Ceiling Light By Boyd Lighting

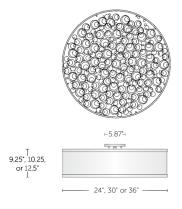

Description

The Catacaos Ceiling Light offers a sophisticated modern update on the age-old technique of filigree, in which small pieces of metal are used to create a larger spiral pattern. The fixture's drumshaped fabric shade is paired with a whimsically spiraled decorative grill, adding an enchanting decorative accent that is sure to impress.Note:The finish option (Satin Nickel or Polished Nickel) refers to the finish of the canopy. Crown banding and decorative grill will match shade color (Bone White or Espresso).
