Catacaos Pendant

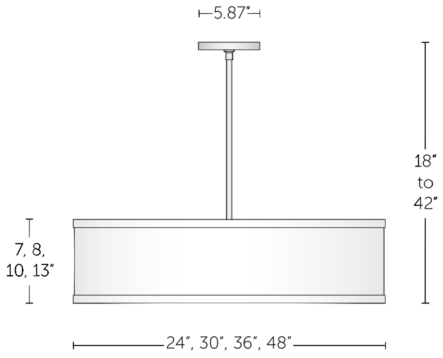

By Boyd Lighting

Description

The Catacaos Pendant offers a sophisticated modern update on the age-old technique of filigree, in which small pieces of metal are used to create a larger spiral pattern. The pendant's drum-shaped fabric shade is paired with a whimsically spiraled decorative grill, adding an enchanting decorative accent that is sure to impress.Note: The finish option (Satin Nickel or Polished Nickel) refers to the finish of the downrod and canopy. Crown banding and decorative grill will match shade color (Bone White or Espresso).NOTE: The overall height from the ceiling to the bottom of the pendant is specified to order and is not field adjustable: 30 inch minimum to 54 inch maximum. Please enter the desired overall height in the Additional Instructions / Notes section during checkout.

Shown in polished nickel / bone white
