Catacaos Pendant By Boyd Lighting

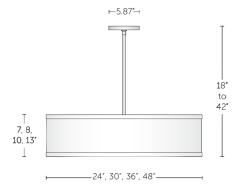

Description

The Catacaos Pendant offers a sophisticated modern update on the age-old technique of filigree, in which small pieces of metal are used to create a larger spiral pattern. The pendant's drum-shaped fabric shade is paired with a whimsically spiraled decorative grill, adding an enchanting decorative accent that is sure to impress.Note: The finish option (Satin Nickel or Polished Nickel) refers to the finish of the downrod and canopy. Crown banding and decorative grill will match shade color (Bone White or Espresso). Overall height is specified to order (30 inch minimum to 54 inch maximum).

Shown in polished nickel / bone white
