Rebound Table Lamp

By Carpyen

Description

The Rebound Table Lamp combines elemental geometric forms with luxurious materials for a timelessly elegant aesthetic. The cylindrical stone base houses the light source, which shines upward towards the brass cone to reflect light outwards in all directions. The cone is available with or without decorative leather (black leather with black marble, white marble, and green marble or maroon leather with travertine). Dimmer switch located on cord.

Shown in green marble / brass
