Palla Ring Convertible Ceiling Light

By Crystorama

Description

The Palla Ring Convertible Ceiling Light is fitted with different sized round, hand-pinned, organic, and naturally textured Capiz shells, creating a unique texture and sparkle that play with the interplay of light and shadow. Faceted cut crystal jewels nestled within overlapping metal circles offer depth and dimension, elevating the chandelier into a work of art. Its open-ring design at the top directs light upward, creating a warm and inviting ambiance, and casts a gentle, downward glow. The same enchanting Capiz shells and crystal details that grace the fixture are mirrored on the canopy, ensuring that every aspect of Palla exudes a sense of organic luxury and sophistication. Can be converted from semi flush to pendant.
