## Addis Linear Chandelier

By Crystorama

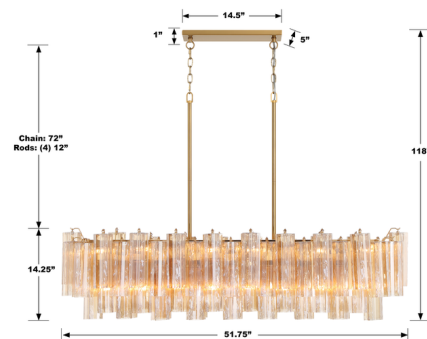

### Description

The Addis Linear Chandelier represents a contemporary reimagining of the classic midcentury Tronchi chandelier. Its elegant lines and geometric forms convey an air of sophistication and refinement. Layers of textured Tronchi glass tubes create a captivating rounded star design, casting warm, enchanting shadows throughout your room. Note: Amber glass is not available with a Polished Chrome finish. Due to the weight of this fixture, additional ceiling support is required.
