Mallory Swing Arm Wall Sconce By Crystorama

Description

The Mallory Swing Arm Wall Sconce is a perfect lighting solution for your bedside to free up table space on your nightstand. Its unique adjustable arm moves left and right and extends inward and outward, giving you the flexibility to direct light exactly where you need it. The rectangular backplate is equipped with a convenient on/off switch, providing easy operation. This sconce is versatile whether you hardwire it for a seamless look or the plug-in option for added convenience. The white shade is beautifully accented with a sleek metal trim.
