Vivid II Undercabinet Light

By Generation Lighting

Description

The Vivid II Undercabinet Light is an energy-efficient self-contained light featuring an integrated linear LED, delivering excellent light output at an affordable price point. Its frosted glass diffuser disperses bright even illumination ideal for kitchen and bar areas. With its wide selection of sizes, clean white finish, local on/off switch and 100-10% dimming capability, this fixture offers complete versatility to fit your application. This light can be hardwired, or can be installed as a plug-in using a power cord accessory (sold separately). Multiple fixtures can be linked using connector accessories (sold separately).
