DESCRIPTION

The Copacabana Outdoor Lounge Chair is a modern take on Mathieu Mategot's iconic 1955 design that is suitable for both indoor and outdoor use. The chair's whimsically curving, stainless steel frame recalls the look of rattan or bentwood for a casual coastal look, and a round seat cushion provides comfort and support. The angle of the seat and back has been modified from Mategot's original design for optimized comfort to give the mid-century classic a modern update.
