# Atticus Smart Ceiling Fan with Light

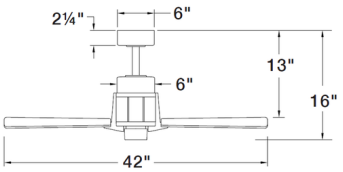

By Hinkley Lighting

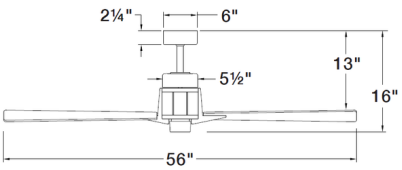

## Description

The Atticus Smart Ceiling Fan with Light shows off a refined aesthetic that elevates your space, wrapped in sophisticated stitched leather accents around its motor housing. Equipped with a quiet yet powerful DC motor and integrated LED kit, the Atticus is an energy-efficient solution for creating comfort in your indoor or covered outdoor setting. Convenience is at your fingertips with the included HIRO wireless control, which can be wall-mounted or hand-held. It uses WiFi and RF technology, and can set 6 speeds, forward and reverse, motor on/off, light on/off, and warm dimming from 3000K to warmer. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone or other smart device. In addition to the basic functions, the app offers advanced features such as timers and breeze mode, and enables linking with smart home tech including Google, Amazon Alexa, and Siri. A light kit cover is included. Other optional accessories are sold separately.
