Atom Ceiling Fan with Light

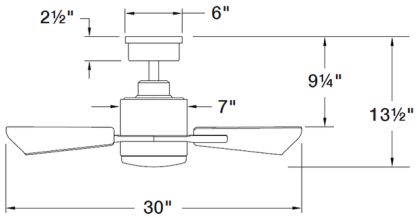

By Hinkley Lighting

Description

Perfect for smaller indoor or covered outdoor spaces, the Atom Ceiling Fan sports a compact modern profile that blends seamlessly with any decor. Equipped with an integrated LED light kit, it casts a warm even light to create a comfortable atmosphere. This versatile fan has dual mount capability, able to mount directly to its canopy as a hugger fan or mount with the included 4.5 inch downrod. Convenience is at your fingertips with the included HIRO wireless control, which can be wall-mounted or hand-held. It can set 3 speeds, motor on/off, light on/off, and warm dimming (dims from 3000K to warmer). A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Fan direction can be reversed using a switch on the motor housing. A light kit cover is included. This fan can be converted into a smart fan using the Atom HIRO control receiver accessory, sold separately. Other optional accessories are also sold separately.

Shown in heritage brass / matte black
