Mistral Smart Ceiling Fan By Hinkley Lighting

Description

The Mistral Smart Ceiling Fan is built with durable composite blades and a quiet yet robust DC motor, designed to move air effectively through a large space. Its sleek angular lines add modern appeal to any space, whether placed in an indoor or covered outdoor area. Convenience is at your fingertips with the included HIRO wireless control, which can be wall-mounted or hand-held. It uses WiFi and RF technology, and can set 6 speeds, forward and reverse, and motor on/off. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone or other smart device. In addition to the basic functions, the app offers advanced features such as timers and breeze mode, and enables linking with smart home tech including Google, Amazon Alexa, and Siri. Optional accessories are sold separately.
